RE: Request for Approval of Transfer, Small Mining Operation, Fraction Lode Mine, S/045/041, Tooele County, Utah

The Division received a transfer form to transfer the Fraction Lode Mine from Mable Timm to her daughter Doris Timm. This small mine project was originally permitted by Eugene Timm who died in 1996. Eugene's wife Mable has continued to send in the annual reports and make fee payments since the passing of her husband. Mabel Timm is getting along in years and has crippling arthritis, thus Mable's daughter Doris is going to take over the responsibility of the mine.

If you are in agreement with transferring this small mining permit to Doris Timm, please sign and date the documents. We will then issue final approval of the transfer. Thank you for your consideration of this request.
